## Terms of Valuation

3.1 Valuation of our group fund will be taken as close to the start of each business quarter as possible, however in some circumstance this may vary slightly

3.2 Valuation are based on the cheapest market price according to Winesearcher. Some competitor prices may be discarded if there is reasonable doubt over the source or validity of the wine offered.

3.3 You accept that valuations may go up and down and there is no guaranteed rate of return.

## Fees for group fund

4.1 We only take a fee if the valuation has increased.

4.2 If the valuation has increased from the previous quarter then we receive 25% of the valuation gains. This is taken prior to your own individual valuation email.

4.3 A 25% commission is also taken on the profit of a traded wine. If the traded wine has returned zero gain then zero commission is taken by us. If we sell at a loss then we incur 25% of this loss.

4.4 There are no management fees. Although you accept this may change as per changing terms and conditions (1)

## Withdrawal from group fund

5.1 If you wish to withdraw money from the fund after the initial 12 month clause then you may submit an email request for the amount to withdrawn.

5.2 We will value the requested withdrawal based on the most recent valuation, which occurs quarterly. The requested amount will leave the fund from the date the request is sent but will not necessarily be transferred to you immediately.

5.3 You accept it may take a number of months to receive the requested amount to ensure we do not affect the overall funds' performance and the other customers valuations. You accept that for larger amounts this may take longer than for smaller amounts depending on the liquidity of the fund. There will be a maximum wait of twelve months to receive payment.

## Closing of the Fund

6.1 We reserve the right to close the fund by giving 12 months advance notice of the closing date

6.2 In the event of the fund closure the closest quarter valuation to closure date will reflect your returned investment. You will receive this in full at an agreed date after fund closure, as per withdrawals terms (8.3)

## Buying individual wines

7.3 If a customer wishes to store it themselves then the wine becomes their sole responsibility when delivered. Before delivery can be requested we will require payment of delivery fees, VAT and duty. We are not liable for any damages that occur in delivery.

7.4 If choosing to keep the wine IB then the wine remains in your ownership but storage remains the responsibility of our storage provider until you chose to take the wine out of bond (8.3)
